Principal's Message

Happy February to all of our École Springfield Families! It was a wild January in regards to weather, with freezing to melting and back again!

February is a time when we celebrated friendships and families. Kindness and helping others has been our focus during our Assemblies and is reinforced in our classroom communications as well.

Valentine's Day is Feb 14th. Our students are showing kindness to our community by participating in our third annual Cereal Box Domino Challenge. If you are able, please bring an unopened box of cereal before the 14th. On the 14th, there will be a domino challenge in the gym. Ms. Waites' class will be setting up a course over lunch recess and one lucky student will get the privilege of knocking down the first box. It's always a fun event with the Food Bank being the big winner as all the cereal get donated there after the event.

We look forward to seeing all our families during our Parent-Teacher Interviews the evenings of February 17 & 19. Please make sure to sign up via the link that was sent through school messenger before February 8th . Our teachers are looking forward to meeting with each of you and sharing the wonderful learning successes that are happening in their classrooms..

This month is also the **Alberta Education Assurance Survey** rollout for **Grade 4, 7 and 10** parents. Codes were sent home this week to complete the survey online. If you would like some explanation or help to fill in the survey, we encourage Grade 4 parents to bring the access code to Parent Teacher Interviews to fill out the Survey at the school and ask any questions you may have. If you have completed the survey at home, make sure to let your child's teacher know, and their name will be entered to win a family fun basket. The Draw date will be **Monday, March 9th**.

Wednesday Feb. 25th, we will be also be commemorating **Pink Shirt Day** which is a day to focus on treating others with respect. It spotlights anti-bullying. We encourage everyone who can, to wear pink that day.

Hello Springfield Caregivers,

This month, we will be having classroom conversations about teasing, taunting, and bullying, and the effects they have on the bully, the victim and bystanders. We will focus on how kindness is the antidote—because the more kindness a person shows to themselves and others, the stronger and more supportive our community becomes.

Wednesday, February 25th is Pink shirt day. Students and staff will wear pink to bring awareness and support the “stop bullying” cause.

Pink Shirt Day is an annual event against bullying held in Canada and New Zealand. Participants wear pink shirts and attend or host informative events to raise awareness about bullying, particularly in schools. Pink Shirt Day was started in 2007 in Canada, where it is held on the last Wednesday of February each year.

From trash to treasure!

As part of our science learning, students in Mlle Luce's class explored waste management and the 3 Rs (reduce, reuse, recycle) by tackling a creation STEM challenge using only recycled materials. So much creativity and problem-solving on display!
