DIVISION FOUNDATIONAL STATEMENTS

Mission

With Families and Communities, We Support Learning That Prepares Every Student for Their Future

Vision

Learning Together; Success for All

Principles and Beliefs

- Core values: honesty, integrity, respect, fairness, compassion, responsibility, caring.
- Expectation of high standards.
- Fostering of attitudes and habits necessary to work effectively and productively.
- Organizing programs and resources to maximize students' potential for success.
- Collaboration of home, school and community for effective schooling.

Motto

- **Pride in Public Education**
- **Respect, Responsibility and Integrity**
- **Student-Centred; Promoting Success and Safety**
- **Diversity Celebrated; Differences Embraced**

Logo

Our new logo embraces the flow and movement of growth and success.

The three blue lines represent the primary influences in a student's life: school, parents and community.

The sweeping blue lines are influenced by the flow of the Peace River and the northern lights that are easily viewed in the region.

On the left they represent the tail end of diploma ribbons and as they step upward in a circular motion it suggests the three partner groups lifting the student up to a place of success.

The star is not only a symbol of the achievement attained through education but it also represents the student reaching out and shining brightly in the community.
