Message from the PRINCIPAL

Welcome back to another exciting school year! I am thrilled to welcome both our returning families and those who are joining our school community for the first time. A special welcome goes to our new Vice Principal, whose energy and dedication will undoubtedly enrich our school family. As we settle into the routine of back-to-school, the hallways are once again buzzing with energy, laughter, and enthusiasm for learning. We are fully committed to nurturing your child's growth and well-being, and we are happy to share that our breakfast and hot lunch programs are already up and running to ensure every student starts and fuels their day ready to succeed. To help keep our school environment secure and welcoming, we kindly remind all parents and guardians to exercise extra caution, patience, and vigilance during drop-off and pick-up times in our parking and unloading zones. Thank you for your continued partnership, and we look forward to making this a wonderful, safe, and successful year together!

-Mrs. Jessica Whelan

From the... VICE PRINCIPAL

What a Wonderful Start!

As September comes to a close, I have been reflecting on what a wonderful start to the school year it has been. I feel incredibly fortunate to be part of such a caring and welcoming school, and I would like to take a moment to share a little about myself.

I was born in a small fishing community in Germany and later immigrated to Canada, where I have had the privilege of working as an educator for close to 30 years. Throughout my life, I have always valued the strong relationships that come with living and working in a smaller town. Moving to Fairview has brought back that familiar sense of connection and belonging.

One of the highlights of September has been getting to know our students. They are enthusiastic, friendly, and always eager to share their ideas, experiences, and accomplishments. Their curiosity and energy have made my first month especially enjoyable!

I have also been warmly welcomed by our entire staff—from the friendly faces in the office to our wonderful teachers and dedicated support staff. Each day, I see the commitment, collaboration, and compassion that go into creating a positive environment where every child feels valued and encouraged to succeed.

Finally, I would like to extend a heartfelt thank-you to our parents and families for making me feel so welcome. Your involvement and partnership continue to play an important role in creating a positive experience for our children. Working together helps foster an environment where everyone can grow, learn, and prepare for the future.

I am looking forward to the many opportunities, new experiences, and memorable moments that the rest of the school year will bring!

– Ms. Bettina Heber

Chipmunk: A Bus Tracking App for Parents

To provide parents with additional peace of mind regarding their child's safety while riding the school bus, the new bus card system is paired with a dedicated parent app called Chipmunk, which provides real-time information and enhanced communication regarding your child's bus ride to and from school. Please read through the included FAQs regarding Chipmunk and setting up your parent account.

This information is also available on the PRSD website here: https://www.prsd.ab.ca/ourdivision/transportation/attendance

Student Safety Reminder for Families

To help keep all of our students safe during arrival and dismissal times, we kindly ask families to **use only the designated drop-off and pick-up areas indicated by the curbage which is painted orange**. These locations are clearly marked and help ensure smooth traffic flow and student supervision.

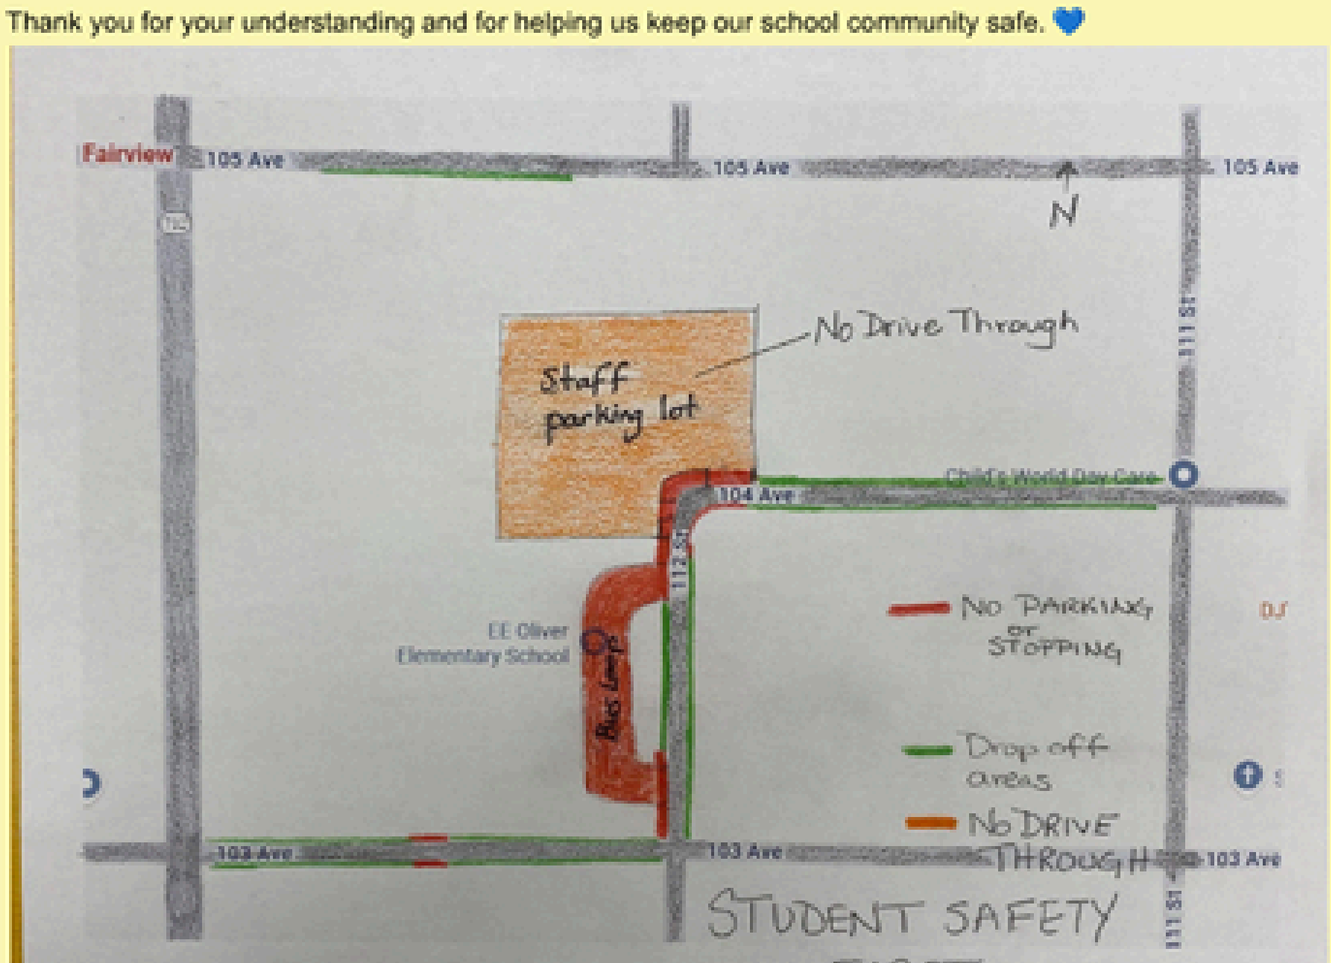

❄️**We understand that the weather may be cold**, and we appreciate your patience. However, **for the safety of all students**, it is essential that children are dropped off and picked up **only in the designated areas**, even on cold days.

🚫 **Please note:**
The **school parking lot is not a drop-off, drive though or idling zone**

.Vehicles should not stop, park or pass through

🔴These procedures are in place to protect students, families, and staff during our busiest times of the day.

Thank you for your understanding and for helping us keep our school community safe. 💙

Students should be dropped off in the approved zones, and should use the sidewalk to get to their bootroom, and should not be walking through the staff parking lot

My Role

Through mental health and wellness programming, I teach students how to understand their feelings, express their needs, cope with challenges, build healthy relationships, and care for their well-being.

I believe every child deserves to feel heard, valued, and empowered. By teaching these skills early, we can help children build a strong foundation for a happy, healthy, and successful future.

As Nelson Mandela said, "Education is the most powerful weapon which you can use to change the world."
